Education

Ph.D. in Political Science, University of North Carolina at Chapel Hill, (2003).

M.A. in Political Science, University of North Carolina at Chapel Hill, (2000).

B.A. in Political Science, Calvin College Grand Rapids, MI (1997).

Professional Experience

Associate Professor, Georgetown University (July 2016—Present)

Associate Professor, Penn State University (July 2011—June 2016)

Associate Professor, Ohio State University (2010—June 2011)

Assistant Professor, Ohio State University (2006—2009)

Post-doctoral Fellowship in Quantitative Research Methods, Nuffield College and Department of Politics, Oxford University (2003—2005)

Publications

Peer-Reviewed Articles

Weiss, S., Keele, L., Balamuth, F., Vendetti, N., Fitzgerald, J., Gerber, J. "Crystalloid Fluid Choice and Outcome in Pediatric Sepsis."

Ross, R., Keele, L., Kubis, S., Lautz, A., Dziorny, A., Denson, A., O'Connor, K., Chilutti, M., Weiss, S., Gerber, J. "Impact of Procalcitonin Availability on Antibiotic Utilization in Critically Ill Children."

Statistical Software

Keele, L. and Pimentel S. `matchMulti`: Optimal Multilevel Matching using a Network Algorithm.

Keele, L. `rbounds`: An R package for calculating Rosenbaum's bounds with matched data.

Yamamoto, T., Tingley, D., Keele, L., and Imai, K. "`mediation`: An R package for causal mediation analysis."

Grants, Honors, and Awards

2015 Abt Associates and Department of Labor Subcontract NO. 45200.

2015 Best Software Award for the mediation package in R.

2015 Picwell Corp Grant for Research on Program Evaluation.

2013 recipient of the Emerging Scholar Award for a young scholar making exceptional contributions to political methodology who is within ten years of their terminal degree, awarded by the Society of Political Methodology.

2012 National Institutes of Mental Health Grant RC4-MH-092722-01 Subcontractor.

2011 Thomas R. Ten Have Citation for "exceptionally creative or skillful research on causal inference."

2002 Royster Society of Fellows Dissertation Fellowship. University of North Carolina-Chapel Hill.

2002 UNC-Chapel Hill Royster Society of Fellows Dissertation Completion Fellowship.

2001 National Science Foundation Dissertation Improvement Grant (SES-0112198).

Conference Presentations

United Kingdom Causal Inference Conference. (2016).

Joint Statistical Meetings. (2015-2106)

Atlantic Causal Inference Meeting. (2011-2012, 2015-2016)

Association for Public Policy Analysis & Management, Fall Research Conference. (2012-2013, 2015)

West Coast Experiments Conference. (2013)

The Annual Meeting of the American Political Science Association (2001-2006, 2008-2015)

The Annual Meeting of the Midwest Political Science Association (2001-2016)

The Annual Summer Political Methodology Meetings (2001-2005, 2008-2016)

Professional Activities

Associate Editor, *Journal of Causal Inference*

Associate Editor, *Observational Studies*

Editorial Board, *Journal of Politics*

Referee for *American Political Science Review*, *American Journal of Political Science*, *American Journal of Sociology*, *American Sociological Review*, *Biometrical Journal*, *Biometrics*, *Biostatistics*, *British Journal of Mathematical and Statistical Psychology*, Cambridge University Press, *Economic & Politics*, *Economics and Human Biology*, *Electoral Studies*, *Journal of the American Statistical Association*, *Journal of Business and Economic Statistics*, *Journal of Educational and Behavioral Statistics*, *Journal of Experimental Political Science*, *Journal of Politics*, *Journal of the Royal Statistical Society, Series A, B, C*, *Medical Decision Making*, National Science Foundation, Oxford University Press, *PLoS One*, *Political Science Research Methods*, *Prevention Science*, *Psychological Methods*, *Political Analysis*, *Political Behavior*, *Political Psychology*, *Public Opinion Quarterly*, *State Politics and Policy Quarterly*, *Statistics in Medicine*, *Statistical Methodology*, *Statistical Methods in Medical Research*, *Structural Equation Modeling*, Wiley & Sons.

Member of American Political Science Association, Methodology Section; Midwest Political Science Association; American Statistical Association; American Economic Association.

Consulting Experience

Educational Program Evaluation. American Institutes for Research. (2013-Present)

Educational Program Evaluation. Villanova University. (2011-2012)

Statistical Consultant. Booz Allen Hamilton. (2010-2012)

Statistical Consultant. Science Applications Corp. (2010-2012)

Invited Presentations

WZB - Berlin Social Science Center (2016); University of Michigan (2016); Georgetown University (2015); Washington University, St. Louis (2015); Yale University (2015); University of Michigan (2015); University of California, Berkeley (2015); University of California, Davis (2015); University of Pennsylvania, Graduate School of Education (2015); Georgetown University (2014); NYU (2014); Columbia University (2014); Bloomberg School of Public Health, Johns Hopkins University; Oxford University (2014); American University (2013); West Coast Experiments Conference, Stanford University (2013); University of Illinois, Champagne-Urbana (2013); Abt Associates, Evaluation Methods Center Speaker Series (2013); Texas A&M (2013); American Institutes for Research (2013); Stanford Political Science Dept (2012); Stanford Graduate School of Business (2012); Columbia University (2012); Yale University (2011); University of Wisconsin, Madison (2011); University of Pennsylvania (2011); New York University (2011); Temple University (2011); Texas A&M (2010); Penn State University (2010); University of Michigan (2010); Columbia University (2010); University of Rochester (2009); New York University (2009); Columbia University (2008); Princeton University (2008); New York University (2006); Nuffield College, Oxford University (2004); Washington University in St. Louis (2004); University of South Carolina (2004); University of California-Berkeley (2004); Pennsylvania State University (2004); University of Rochester (2004); Ohio State University (2004); University of California, Davis (2003); University of Texas at Dallas (2003).
